### ATTACHMENT TO CRIMINAL COMPLAINT:

M-22-1876-M

RE: Ramon Garcia-Solis Jr

#### **CONTINUATION:**

#### PRINCIPAL STATEMENT:

Ramon Garcia-Solis Jr., a United States citizen, was read his Miranda Rights in the English language. He understood his rights and agreed to provide a statement without an attorney present.

Garcia-Solis admitted picking up undocumented aliens using a borrowed black Cadillac, and was to get paid \$100 U.S. dollars per person. Garcia-Solis further admitted knowing the individuals he was picking up were illegals. Garcia-Solis stated he told his passengers to put on their seatbelts. Garcia-Solis indicated that he has transported illegal aliens before.

#### **MATERIAL WITNESS STATEMENT 1:**

Eddy Orlando Garcia-Ramos, a citizen and national of Guatemala, was read his Miranda Rights in the Spanish language. He understood his rights and agreed to provide a statement without an attorney present.

Garcia indicated he and his father made smuggling arrangements and has paid \$6,000 out of \$15,000 they agreed to pay. He also explained that last night, he crossed the Rio Grande River illegally by wading with two (2) other subjects and two (2) guides. Once in the United States, Garcia and the other two (2) subjects were instructed to wait for a black Cadillac to pick them up near a traffic light. Approximately an hour and a half later, they received a phone call and a black Cadillac at the light honked. Garcia stated a four-door black Cadillac driven by a male subject told them to get in and drove off at a high speed. Garcia indicated a juvenile was one of the subjects that boarded the vehicle. Garcia recalls that several times they asked the male driver to stop the vehicle, but the driver replied that he would stop whenever he wanted. Moments later they observed Border Patrol units behind them, and the male driver drove even faster. Garcia stated the Cadillac went inside a park, hit a post and a tree. Immediately after, the driver told them to get out and run. Garcia described the male driver wearing blue jeans, brown long sleeve shirt, tall, thin and dark skin. He also said the driver had a beard.

Garcia was able to identify Ramon Garcia-Solis Jr. on a photo lineup as the driver of the vehicle.
